ABOUT COLLEGE, GOALS AND MISSION

Dapoli Urban Bank Senior Science College, Dapoli emerged as a prime institution catering to the aspirations of students of this region. Established in 1996, by Dapoli Education Society, it spearheaded progressively to 500+ students on roll, with best infrastructure, committed teaching and non-teaching staff and ever-enthusiastic student fraternity.

The Trustees of Dapoli Education Society had a dream of creating an “Island of Knowledge” in Dapoli. The local cooperative bank ‘Dapoli Urban Bank’ gave a generous donation to Dapoli Education Society for the construction of College building. The college is devoted to the cause of quality education with special emphasis on value and character and hence takes pride in promoting overall development of youths.

VISION STATEMENT:

To provide quality higher education, the prime element of regional and national development and to embed moral & ethical virtues in order to develop the local youth to prove themselves globally.

GOAL & OBJECTIVE:

To spread Science education quantitatively and qualitatively in Dapoli tahasil & its vicinity.

MISSION STATEMENTS:

1. To equip and empower students with relevant knowledge, competence and creativity to face global challenges.
2. To endow the students through participation in curricular, co-curricular, extracurricular and extension activities.
3. To inculcate values based on real life education.

AFFILIATION AND ACCREDITATION:-

College is permanently affiliated to University of Mumbai. The college has also received 2f and 12B status from University Grants Commission (UGC). The College was assessed for Accreditation in September 2004 by the National Assessment and Accreditation Council (NAAC) set up by UGC and was awarded B grade (73%). Reaccreditation “B” grade was awarded in February 2012 with “B” Grade (CGPA 2.72).

INTERNAL QUALITY ASSURANCE CELL (IQAC)

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. The college has constituted IQAC which is functional in developing a system for conscious, consistent and catalytic improvement in the overall performance of institutions

Objective: The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

MASTER OF SCIENCE (BY PAPERS)

Duration- 2 Years (Four Semesters)

Eligibility- B. Sc. (in relevant subject) from recognized University

SCHEME OF EXAMINATION

Internal Assessment- **40** Marks

Semester End Assessment- **60** Marks

The performance of the learners shall be evaluated in two components:

1. Internal Assessment – 40 marks by way of continuous evaluation
 - a. Class Seminar One class tests / Case study or a combination of these-**30 Marks**
 - b. Active participation in class instructional-**05 Marks**
 - c. Overall conduct as a responsible student, mannerism and articulation and exhibit of leadership qualities in organizing related academic activities.-**05 Marks**
2. Semester End Exam – **60 marks** by way of conducting the theory examination

STANDARD OF PASSING:

To pass a course, a learner must score total 40 out of 100 marks with minimum 16 marks out of 40 in the Internal Assessment and minimum 24 marks out of 60 in the Semester End Exam. For practical courses a learner is required to score 40% marks in each semester. There will not be any internal examination for practicals.

4. The college will not be responsible for any lapse on part of student with regard to eligibility.

CAREER ORIENTED ADD-ON COURSES:

Globalisation of education and economy has led the University Grants Commission (UGC) to reorient and reshape its policies and programmes to make the current Indian Higher Education System more relevant and career-oriented with focus on quality and excellence. It is envisaged that professionally qualified graduates with a sound knowledge of their core disciplines and expertise in a concerned skill will have more openings in service, industry and self-employment sectors..

The scheme was designed to ensure that graduates who pass out after completing these courses would have knowledge, skills and aptitude for gainful employment in the wage sector in general and self employment in particular. The UGC has introduced a flexible system of certificate/diploma/advanced diploma programme, which run parallel to the conventional B.A., B.Com. and B.Sc. degrees.

The college has successfully completed two such add-on courses in the past. From last year Physics Department of our college has started such on year certificate course which is sponsored by UGC.

COLLEGE INFRASTRUCTURE

SEMINAR HALL

The College has state of the art seminar hall with a seating capacity of 160. It is equipped with best acoustics, LCD projectors etc., making multimedia communication effective and meaningful.

LABORATORIES

The college has large, well ventilated laboratories for practicals in Chemistry, Physics, Zoology, Botany, Microbiology and Computer science. The laboratories are equipped with

modern instruments to cater to the needs of the present syllabi and beyond. There are separate laboratories for post-graduate student sections. The post graduate department have highly sophisticated instruments, some of which have been especially imported for specific research work.

GYMKHANA

The College has a spacious play ground in campus which meets the requirements of most outdoor games like Volleyball, badminton, Kho-Kho, Kabbadi etc. For other outdoor games Government ground called 'Azad Maidan' is availed on request. Facilities for almost all indoor games are provided in the college campus. The well equipped multi gym provides students the opportunity to build their stamina to be better able to cope with the rigours of college life, channelize their energies in a healthy way. Membership to the gym may be availed by students, staff members and ex-students at extremely reasonable rates.

EARN AND LEARN SCHEME:

We propose this scheme from this to develop a student as a multifaceted personality with academic excellence and a commitment to an egalitarian society. It inculcates in the student the idea that no work is big or small and develops a work culture with the right aptitude.

Under this scheme those students who are interested in joining are to fill the necessary application form, which is then scrutinized by an appropriate committee. The students enrolled under the scheme are given the following types of work that will increase their skills in areas of their study, office work, technical work and field work. However when the distribution of work is given it is seen that all students get equal opportunity to get all different kinds of work and that each student gets eighty percent of technical work and twenty percent of fieldwork.

Technical work includes Knowledge of computers, office machines such as photocopying etc. or even working at a telephone booth, while field work includes working in the garden, looking after newly planted trees, play grounds, cleanliness of the campus etc. It also includes working on the consultancy assignments such as soil, water consultancy.
