- 7. Feedback: Classical music not only nurtures our soul but grows our mind in ways that have been substantiated by myriad of studies over recent years. Exposing the very young to classical music has been documented to help develop language skills, reasoning, and spatial intelligence. "If I had my life to live over again, I would have made a rule to read some poetry and listen to some music at least once every week." "Music is the universal language of mankind." "Where words fail, music speaks." "Life is like a beautiful melody, only the lyrics are messed up."
