Women Development Cell committee

Annual Report- 2021-2022

ABOUT WOMEN DEVELOPMENT CELL:

Women Development Cell is a vibrant and incessantly active collaboration of students, faculty, and staff endeavouring to create a more inclusive, tolerant and gender sensitized community within the campus as well as in society. Gender equality and empowerment of women have for long, remained an integral part of development policies and programmes especially for developing nations like India.

A Women Development Cell in any institution symbolizes a safety hub for the students. It is also the sign of progression and open thinking. To a girls' college student, a WDC, unknowingly, becomes her strength and offers her different perspectives on gender issues. It empowers her to do what she wants. Hence, implementation of WDCs in every college is a must step to be taken.

VISION:

Maintaining and strengthening the status of Women.

MISSION:

To create awareness of feminine potential.

OBJECTIVES OF WDC:

- To create social awareness about the problems of women and in particular regarding gender discrimination.
- To develop the self-confidence of Women.
- To guide about Women Welfare Laws.
- To highlight the importance of health and hygiene.
