Give three observation / suggestions to improve the overall teaching – learning experience in your institution

306 responses

Nothing

No

.

No suggestions

Nothing

Very good

Good

No suggestions

Excellent

.

-

No any suggestions

Very good

No

Excellent teaching staff

No suggestion

Good

Good teaching

-

..

Our institute is very good,so no suggestions

It is good

1. The learning experience in this college was over all good.
2. Teaching staff and non teaching staff, all of them were very helpful when needed.
- 3.I got to learn many other things other than my course syllabus through out the year.

1. The teachers are very good at explanatory skills.
2. The educational tours organized are very informative.
3. Very good discipline is maintained at my institute.

Moderate

There is no any suggestions to our institution

All is good.

Teacher are very informative  
Campus is very clean

Use of electronic gadgets

Mostly every teacher make efforts to make the chapters easy With sometime funny example  
sometime with diagram for students to understand

No.need any other observation they are good /excellent in there own fields.

No suggestion

Very good teachings

No observation

Plz let them teach in english.they teach in marathi so we are unable to understand the  
concepts fully

No any other suggestions.

Better

1. Required more subject related seminars for industrial experience
2. Required more guidens for facing interview

Things are functioning very well education wise so no suggestion

1. Mock interviews for enhancement of interview experience.
- 2.lectures from industrial peoples to have an idea about the current industrial situation.
- 3.projects related to interactive learning should be promoted

All is good

Good experience

Excellent<sup>100</sup>

I like teaching method . Teaching staff and non teaching staff were very helpful for us. All  
teachers motivated us for future education plan. I got to learn many other things other than  
syllabus.

Good work by the institute.

Every thing is all right

Teach simply  
Solving students doubt  
Find out their

O suggest that teacher identify student weakness and give support to overcome that

Overall teaching is good

Excellent teaching staff

Everything is good 🍷

Industrial visit

Excellent  
Outstanding  
Perfect

All over teaching staff is good and co-operative

No improvisation

Very good teaching

....

Give more application of given subject

The teaching staff is excellent

No observations

Digital marketing study course/Encourage cooperative learning

This institute is very well

Support in all study related activities of students.  
Solve problems of students

No suggestions all is good!!

Very good ☺

1.Encourage corporetive learning  
2.Use better graphic and visual media to engage students well

1)Encourage corporate learn  
2)Use better graphic and visual media to engage student well

1) Encourages cooperative learning  
2)Use better graphics and visual media to engage students well.

Very good teaching in college  
Explain the teachars all problem in student

They want to teach deeply for the students, that the students also know well.

nothing special

No need to any suggestions all teachers are good

Takeing internal exams  
Encouraging students  
Solve problem with them about study related

Need to shift some unnecessary rituals like instead of teaching quality focus on attendance, completion only

Share your personal experience to let them understand the difficulty in real life.  
Advice student for their career and academic opportunities.

1. Take a lecture in daily time to time.  
2. Book issue should be done on all working days in the library. No need to reserve day for Bsc-

msc.

3. Our Department of Environmental Science should be given a separate laboratory.

There is none. They teaching very well.

Difficulties in language problem  
In teaching it should be explained in English or Hindi  
Over all teaching is excellent

They all have good teaching skills and they teach very well according to their nature of teaching.

If students are not understanding the way u teach change the method and make everyone attentive in lectures.  
Treat them better as they are the future and help them to improve. And treat them with respect and value their human capacity.

Teacher should Utilize the latest technologies  
Prioritize student relationships.  
Empower parents to be your ally.

Good Teaching  
Topic Explain  
Good Education

Excellent teaching and very good efforts

Excellent and smoothly teaching or very good efforts

Agree

Learning experience is very well and excellent.

Time management, management of exam time

1. Big lecture classrooms should have microphones for teachers to speak

1) Use better graphics and visual media to engage students well. Better graphics and colors arouse the interest and desire to learn among students.  
2) Try to reach every student and ask for their doubts.  
3) Make teaching a two way interaction.

Our all teaching staff are really very good and always supportive 😊

The overall teaching-learning experience in institution is good.

Learn new things , excellent teaching staff , excellent management

Keep lecture continually

Nothing is all good

1) don't take too long period in your first lecture and next lectures.  
2) Give activities to students and give them digital work activities, such as learning new software related to their program.  
3) Give weekly guest lectures for competitive exams.

Sullabus should distibute for particular time  
Unit test should be taken

1) Excellent teaching staff.  
2) Teacher's always helps in any educational and personal problems.

3) Teacher's always try to do something new.

Learning experience is so good in my institution. Teachers are so good in communication with all the students.
