

Dapoli Education Society's
Dapoli Urban Bank Senior Science College Dapoli- Ratnagiri
Green Care Committees Academic Year 2022-2023

Annual Planning:

Green Care Programmes are designed, structured and facilitated in Dapoli Urban Senior Science college in such a way to achieve clear Environmental Friendly- oriented outcomes and also sustain the benefits to the environment and college.

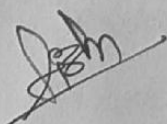

The programmes involve the active and regular engagement of the Students with a range of meaningful nature-based activities delivered by Guardian to create a sense of achievement personal responsibility and self-confidence and offer opportunities to learn new skills; by taking place within a social setting.

There are several activities planned for every department group which they have to conduct within a course period of time.

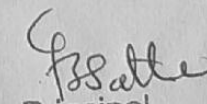

The activities given are as follows:

Faculty	Date/day	Day observed	Task
Chemistry	21 st September	Zero emission day	1.Green solvent example with example 2. Importance of ppe kit. 4.No vehicle day
Commerce	18 th March	Global recycle	3. Poster making 4. Important message, qu 5. earth hour mobile free campus
Computer Science	22nd April	Earth Day	1.Picture of earth with important message 2.Make an Environment

Botany	3 March	Wildlife day	1. Medicinal plant habitat picture
	21 March	Forest day	3. Picture plants sowing to the final mature stage.
Physics	29 th July	World tiger Day	1. Quiz competition
	March Weekend	Earth Hour	2. Mobile free campus and environment related Seminar
Microbiology	17 september	International microorganism day	1. Colonies of Microorganism on plates
	27 th and 28 th Aug	Water week	3. Slow motion water effect 5. Water Quiz 6. Water quality check monthly
Zoology	2 June	World ocean day	1. Seminar water conservation
	5 october	Habitat day	2. Picture of animal habitat
	4 february	Wetland day	3. Seminar

Green Care Committees Academic Year 2022-2023

Annual Report

Green Care Programmes are designed, structured and facilitated in Dapoli Urban Senior Science college in such a way to achieve clear Environmental Friendly- oriented outcomes and also sustain the benefits to the environment and college.

In this year the green care committee conducted six activities in which all college students and teachers were involved. Environmental science and other departments of our college also organized many activities related to maintenance of biodiversity, eco-friendly campus, rain water harvesting practices.

Sr. no.	Activity	Date	Description	Resource person
1.	photography competition (Envi.science department)	25 july 2022	photography competition on occasion of world nature conservation day - the goal was to promote to conserve the biodiversity in their own habitat & to bring awareness among the students	Amruta mohite mam
2.	Eco Friendly Products (Envi.science department)	18th february 2022	Environmental awareness- how waste products can be transformed into beautiful products which increases its value and can be used for business for students.	Anirudha sutar sir
3.	Tiger Day	29th july 2022	Quiz competition on	Kulkarni sir

	(physics department)		occasion of international tiger day- the goal was to promote a global system for protecting the natural habitats of tigers and to raise public awareness and support for tiger conservation	
4.	Rain Water Harvesting	15th july 2022	collected rainwater from the rooftop of college and stored it in tanks. We harvested rain water through trenches in the botanical garden.	All teaching and non-teaching staff
5.	Seminar (Chemistry department)	21st september 2022	seminar on occasion of 'zero emission day'- The idea of 'green' solvents expresses the goal to minimize the environmental impact resulting from the use of solvents in chemical production.	Tejas mehta sir
6:	Wildlife - photography competition (Botany department)	3rd march	photography competition on occasion of 'world wildlife day'- The goal was to promote plantation for protecting the natural habitat of flora & fauna and to raise public awareness and support for nature conservation.	Nagvekar mam

BIODIVERSITY PHOTOGRAPHY COMPETITION 2022

Department of Environmental science of our college has organised a **Biodiversity photography competition** for all the students on occasion of world Nature conservation day on **28th of July 2022**. The goal is to conserve different biological species in their own habitat. To participate in this competition students have to click picture of Biodiversity (i.e. Plant, Insect, Animal,) in their own natural surroundings and bring a photo copy to the Environmental science department.

Students with unique picture will be awarded with appreciation certificate.

ECO- FRIENDLY PRODUCT

ACTIVITY REPORT

ACTIVITY REPORT –Ecofriendly product

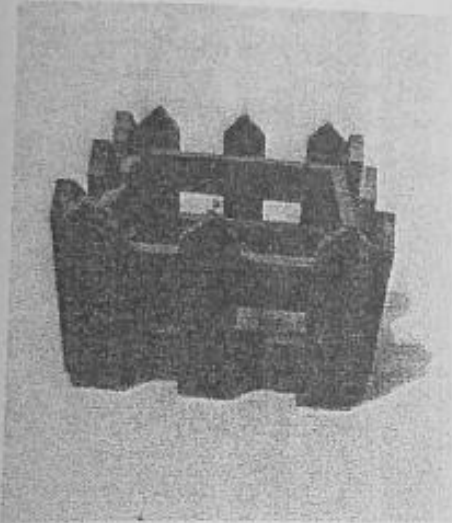

Department of Environmental Science conducted few Environment friendly activities on for the students of Dapoli urban bank senior science college. This activities were conducted ON 18 th February to make the students aware of environmental conservation process as well as to incorporate Sustainable development practice in our Day to day life. Activities performed were Making of Ecofriendly products. Ecofriendly product making we had to make products using raw material which does not hamper the environment in anyways. Their where 2 participants for this activity. Overall the activity turned out to be great success with active participation of students.

NOTICE

Date: 25/07/2022

All students of College are informed that on the occasion of International Tiger Day Department of Physics is going to arrange the **Online Quiz Competition on 29th July 2022**. The main aim is to create awareness about the conservation of Tigers. So all the students are instructed to submit your response. The link of the Google form of the same will be shared on the same day at 11.00 AM. On your group.

Activity Report

NAME OF ACTIVITY	QUIZ COMPETITION ON THE OCCASION OF INTERNATIONAL TIGER DAY
DATE	29 th July 2022
AIM	<p>The goal of the day is to promote a global system for protecting the natural habitats of tigers and to raise public awareness and support for tiger conservation issues.</p> <p>International Tiger Day has been shown to be effective in increasing online awareness on tigers through information search.</p>
TOPIC	Awareness about Tigers
NUMBER OF PARTICIPANTS	Teachers & Students – 267 In Total
OVERALL CONDUCT	Department of Physics With the guidance of Environmental Science department have organized this activity. All college students as well as teachers participated and recorded their response for the online quiz competition.
LINK OF RESPONSES	https://docs.google.com/spreadsheets/d/1Wkw1KoiAJcMBj6S5U-g9KMIQ-0COA1N1kQCuElnigfY/edit#gid=1152892374

Department of Chemistry

Name of activity: Seminar on Green solvents with examples on the occasion of Zero Emission Day. (21/09/22)

Name of speaker: Prof. Tejas P. Mehta.

Class: M.Sc. Part 2 Organic chemistry.

Number of students: 32

Points discussed: On the occasion of Zero Emission Day, department of Chemistry arranged seminar on green solvents. Solvents define a major part of the environmental performance of processes in chemical industry and also impact on cost, safety and health issues. The idea of "green" solvents expresses the goal to minimize the environmental impact resulting from the use of solvents in chemical production. Various green solvents like Water, Ionic liquids, deep eutectic solvents and supercritical carbon dioxide with their application and advantages were discussed.

Department Of Botany

Report on

World Wildlife Day Photography Competition

The department of Botany, Dapoli Urban Bank Senior Science College Dapoli organized an offline photography competition on 'World Wildlife Day' for Science and Commerce students on 3rd March 2023. United Nations General Assembly (UNGA), in its resolution, decided to proclaim 3 March, the international day of the adoption of the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) on the planet raise awareness and benefits fauna and flora, as **World Wildlife Day**. The photos from the contestants were collected in printed format. There was also a judging panel consists of three judges to determine the winners.

Judges:-

1. Mr. Kailas Gandhi Asst. Prof Chemistry Department
2. Mr. Ajinkya Mulukh Asst. Prof Botany Department
3. Ms Priyanka Salvi HOD Microbiology Department

Following were the terms for the competition:

- 1) Students should carry their own digital camera/ mobile
- 2) The pictures shouldn't be edited in any software before submitting
- 3) 2 best Printed pictures should be submitted by the individual students.
- 4) The final decision will be of the judges.
- 5) The needed terms and conditions will be given on the day of competition by the judges.
- 6) The students need to abide to the rules and regulations of the competition.

The platform used for the event was the College campus. No registration fee was charged. A total 16 students of Dapoli Urban Bank Senior Science College joined in the Contest. Among them **Mr. Vishal Vikas Bhagwat (M.Sc-I EVS)** secured first rank in the competition. The aim of this contest was to find out the new talents in photography and the programme was a good opportunity to the participants to reveal their skills.
