

Dapoli Education Society's

Dapoli Urban Bank Senior Science College

Department of Chemistry

Name of activity: Seminar on Green solvents with examples on the occasion of Zero Emission Day. (21/09/22)

Name of speaker: Prof. Tejas P. Mehta.

Class: M.Sc. Part 2 Organic chemistry.

Number of students: 32

Points discussed: On the occasion of Zero Emission Day, department of Chemistry arranged seminar on green solvents. Solvents define a major part of the environmental performance of processes in chemical industry and also impact on cost, safety and health issues. The idea of "green" solvents expresses the goal to minimize the environmental impact resulting from the use of solvents in chemical production. Various green solvents like Water, Ionic liquids, deep eutectic solvents and supercritical carbon dioxide with their application and advantages were discussed.
