MOU Activity Report

Objective:

The primary objective of this report is to provide an overview of the activities conducted by the (DUBSSC), Department of Commerce, pertaining to faculty exchange as per the Memorandum of Understanding (MOU) agreements.

Activities Conducted:

1. Identification of Partner Institutions:

- The Commerce Department of DUBSSC initiated the process by identifying potential partner institutions for faculty exchange programs. Extensive research and discussions were held to select institutions that align with our academic goals and standards.

2. Negotiation and MOU Signing:

- Subsequent to identifying potential partners, negotiations were conducted to establish mutually beneficial terms for faculty exchange. These negotiations culminated in the signing of MOU agreements with Get Solutions on 7 September 2020.

3. Development of Exchange Programs:

- Collaboratively with the partner institutions, the Commerce Department formulated exchange programs tailored to meet the academic and professional needs of faculty members. These programs encompassed a range of activities including teaching assignments, research collaborations, and participation in workshops/seminars.

4. Faculty Selection and Preparation:

- A rigorous selection process was undertaken to nominate faculty members for participation in the exchange programs. Selected faculty members were provided with necessary guidance and support to prepare for their exchange stint, including visa arrangements, accommodation assistance, and briefing sessions regarding cultural nuances.

5. Implementation of Exchange Programs:

- The exchange programs commenced according to the agreed schedules. Faculty members from DUBSSC embarked on their exchange assignments at partner institutions, while

concurrently hosting visiting faculty from these institutions. The programs were executed with adherence to the outlined objectives and timelines.

6. Evaluation and Feedback:

- Continuous evaluation mechanisms were put in place to assess the efficacy and impact of the exchange programs. Feedback from participating faculty members, as well as host institutions, was solicited to gauge the success of the initiatives and identify areas for improvement.

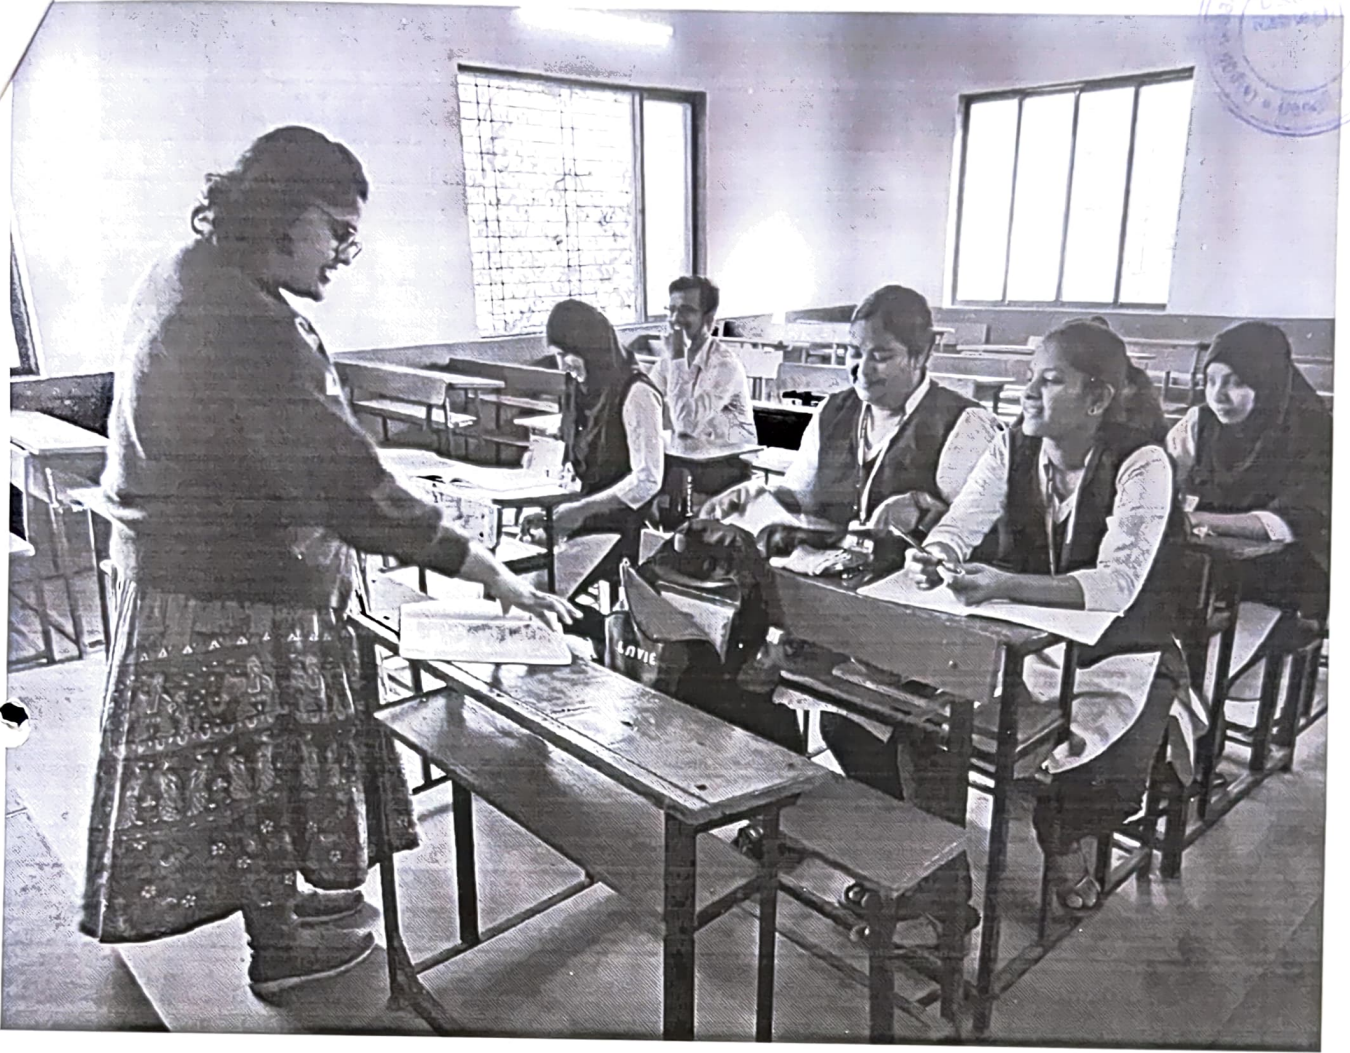

Outcomes:

- Enhanced academic collaboration and knowledge exchange between DUBSSC and Get Solutions Institute
- Enriched professional development opportunities for faculty members through exposure to diverse teaching methodologies and research environments.
- Strengthened institutional linkages fostering long-term partnerships and collaborations.
- Promotion of cross-cultural understanding and internationalization initiatives within the Department of Commerce and DUBSSC as a whole.

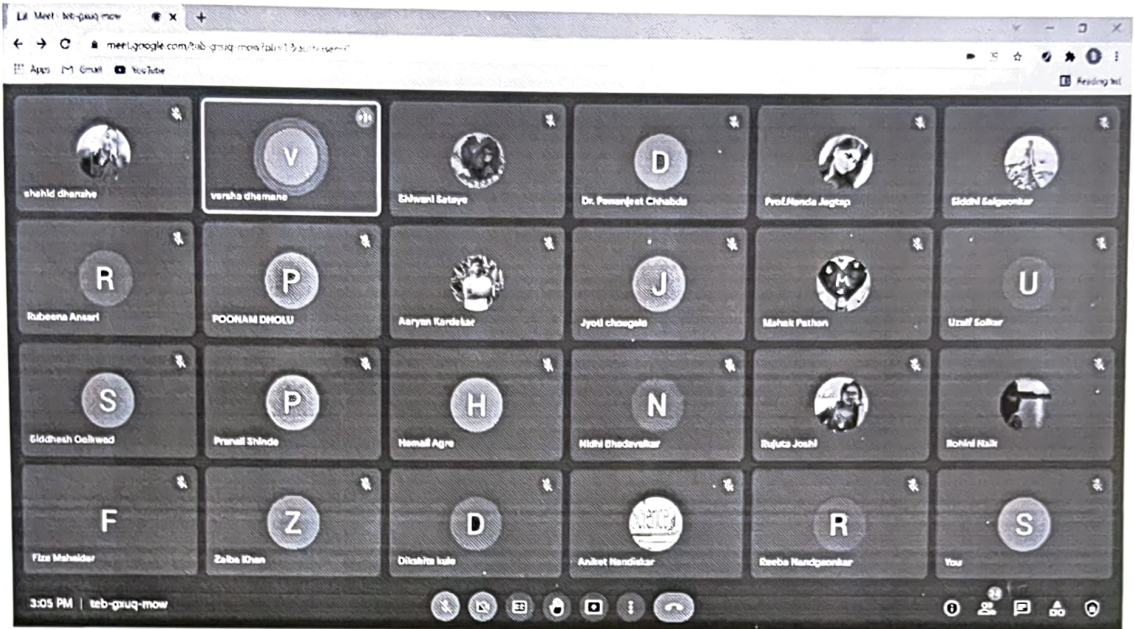

Future Directions:

- Expanding the network of partner institutions to diversify exchange opportunities.
- Incorporating feedback and lessons learned to refine and optimize future exchange programs.
- Exploring avenues for joint research projects and academic publications with partner institutions.
- Continuously nurturing and sustaining collaborative relationships to uphold the spirit of academic diplomacy and international cooperation.

This report encapsulates the efforts and achievements of the Department of Commerce, DUBSSC, in promoting faculty exchange initiatives in accordance with the established MOU agreements. We remain committed to fostering academic excellence and global engagement through such endeavors.
